

# White & Ramsay D.D.S., P.C.

From: Drs. Steve White & Steve Ramsay  
To: Norman Gelfand

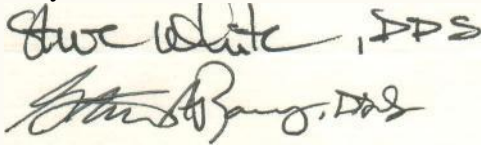

We have been in our new office space at 6850 Austin Center Blvd for over two years. The process took a year of planning, a half year of negotiations, then another half year to construct. Whew!

There are many details that could have been overlooked. Your attention and diligence gave us confidence that we made the best deal possible.

Your advice and advocacy for us was of immense value. We can't imagine trying to do this without your expertise.

Thank you for all of your efforts on our behalf. The new office is everything we wanted and more.

Sincerely,

Handwritten signatures of Steve White, D.D.S. and Steve Ramsay, D.D.S. The signatures are in black ink and are written in a cursive style. The first signature is "Steve White, D.D.S." and the second is "Steve Ramsay, D.D.S.".
